

Organization:	NCMS
Address:	3025 Boardwalk Ann Arbor, MI 48108
Phone:	(800) 222-6267
Website	www.ncms.org
Organization Mission:	NCMS is the nation's largest cross industry technology development organization, dedicated to improving the competitiveness and strength of the U.S. industrial base. As a member-based consortium, NCMS leverages its network of members and partners to research, develop, demonstrate and transition innovative technologies more efficiently, with less risk, and at a lower cost than going it alone.
