

Organization:	TKWolf
Address:	
Phone:	(918)-396-1467
Website	http://www.tkwolf.org/
Organization Mission:	Our mission is to bring about integration and balance through use of the Medicine Wheel that serves as a guide for our work. In all our activities, whether counseling, addiction treatment, workshops, research, conferences, or consultation, the focus is on achieving health, positive change and growth in each aspect ♦ mental, emotional, physical and spiritual. In the Medicine Wheel, health and positive change must occur in each aspect for health to occur in any one aspect
